LASTING LEGACIES

RECENT AND PROMISED GIFTS TO THE PERMANENT COLLECTION

EVERGREEN MUSEUM & LIBRARY OF JOHNS HOPKINS UNIVERSITY CELEBRATES MORE THAN 70 YEARS of benefaction with the opening of an exciting exhibition documenting the transformative growth of the museum's collection, showcasing recent and promised gifts from the past two decades and the donors who made them possible.

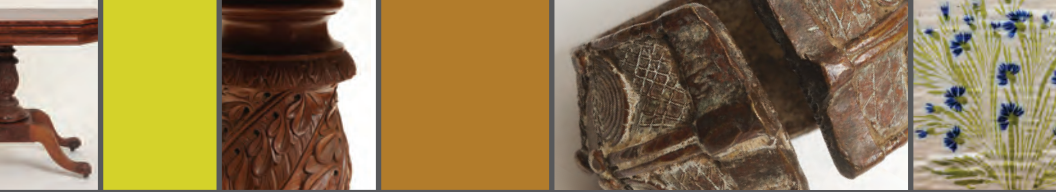

Spanning three centuries and encompassing several continents, the more than 100 works of fine and decorative art enhance and expand on the museum's founding collection of American and international art assembled by Baltimore's philanthropic Garrett family and reflect the museum's important mission as an educational and cultural resource. The exhibition honors both the foresight of the museum's founders, Ambassador John Work Garrett and his wife Alice Warder Garrett, and the generosity of those who have become stewards of Evergreen's purposeful evolution.

Curated by James Archer Abbott, Director and Curator of Evergreen Museum & Library

Admission to the exhibition is included with the guided museum tour or \$3 for the exhibition only

Lasting Legacies is made possible in part by the generous support of Doris W. Tippens. Additional support comes from the Evergreen House Foundation and the Maryland State Arts Council.
